## PRAYER BOOKLET

## THE MOTHER OF UNBORN CHILDREN

[Comment on cover image](#)

Ms Tidwell, an American artist was inspired to paint this beautiful image of Mary mourning for millions of aborted babies. Such a painting would usually take months to finish, but she managed to complete it in just two hours. The stars around Mary's face represent the crown of the Woman in The Book of Revelation: the sun surrounds her, the moon at her feet. The greatest star is the Nativity star of Bethlehem. The rose-coloured globe in the lower left-hand corner represents the Earth in difficulty. The ardour of Mary's immaculate heart shows her immense love for each of her children, especially the most disorientated. Her beautiful eyes are deformed from all the tears she has shed because of this horrible sin. The Guardian Angel of the small baby foetus appears sad at the death of the one he protects and is grateful to Mary for her prompt help. This baby foetus carries the signs of the five wounds of Christ. Note that both the baby foetus and his Guardian Angel are crying. The little one has his hands joined as if in prayer. If Mary's hands and nails are dirty, it is because she has to recover these babies from dustbins and rubbish dumps.

Mother of all the living, pray for us!

## SOCIETY FOR UNBORN CHILDREN

The "Society for Unborn Children" is a simple organization of people united in Christian fellowship, whose mission it is to help men and women realize the seriousness of abortion and its consequences through prayer. Through prayer we can save many lives and take care of the fate of unborn children. Supported by the teachings of The Catholic Church we believe in life after death. This means that we also believe that there may be a future of hope for the unborn children who were not welcomed in this life and who died without baptism. Our aim is to spread the culture of "life beyond life", to raise people's awareness of unborn children whose life on earth was ended because of a miscarriage their parents were either aware or not aware of, and because of abortions and therapeutic abortions. The term "unborn children" also refers to the children still in the womb at various stages of gestation, precious gems to be protected in prayer.

Everyone who belongs to the Society, commits to praying for the protection of these children, and undertakes to help those parents who have suffered bereavement and who want to be helped to overcome it. The aid will mostly be spiritual, bringing them closer to the Sacraments of Reconciliation and the Eucharist. Through these sacraments the souls of mothers and fathers that were involved in an abortion can achieve peace through God's forgiveness, through the forgiveness of their children and eventually by forgiving themselves. Through this forgiveness the parents of aborted

children may start a new life, and the children themselves will be able to "go beyond", from "Limbo" to Heaven for eternity.

### **1. The aims:**

- To help prevent the crime of abortion through the promotion of prayer groups so that the largest number of children at risk of abortion are saved.
- To bear witness to the importance of prayer as an effective means in the fight against legalised abortion, the direct cause of the decline of humanity and all the suffering it is increasingly under.
- To give a voice to the millions of babies' souls who have been killed in their mother's womb or died of natural causes and need the benefits of baptism to enjoy eternal blessing and the pacifying vision of their heavenly Father's face.
- To support and gently guide mothers from an awareness of what they have done towards conversion, confession and reconciliation with God and with their unborn children.
  - To bring mothers closer to their unborn children through forgiveness, prayer and Eucharistic worship.
  - To witness the importance of Holy Mass in general and daily prayer.
  - To promote the culture and practice of "baptism of desire" both for children still in their mother's womb and those lost through miscarriage or voluntary abortion.
  - To promote the culture and practice of the prayer of Eucharistic worship, an atomic bomb of grace.

- To spread the devotion of Our Lady of Guadeloupe, protector of unborn children and the Holy Rosary.
- To increase awareness of the Angelic Crown of God and Mary the Mystical Rose prayers and devotion to the 7 archangels.
- To spread devotion of the Holy Guardian Angels and the Archangel Saint Michael who defend the families involved and each person who has committed to this project in the spirit of goodwill.

**2. Requirements for membership**

- Be a practising Christian in both word and deed.
- Live in the Lord's grace through frequent confession and communion.
- Participate regularly at Holy Mass.
- Recite the prayers contained in this booklet once a week.
- Complete an hour of Eucharistic worship per month.
- Baptise the unborn children of the day at each Holy Mass through "baptism of desire"

**3. Apostolate**

Anyone wishing to commit themselves to this field can start a new weekly or twice-monthly prayer group and will be trained in how to serve in harmony with our working style.

## **His Steadfast Love Endures Forever**

### **A Psalm for giving thanks.**

Make a joyful noise to the LORD, all the Earth!  
Serve the LORD with gladness!  
Come into His presence with singing!

Know that the LORD, he is God!  
It is He who made us, and we are His;  
We are His people, and the sheep of His pasture.

Enter His gates with thanksgiving,  
And His courts with praise!  
Give thanks to Him; bless His name!

For the LORD is good;  
His steadfast love endures forever,  
And his faithfulness to all generations.

### **Psalm 131**

#### **The spirit of childhood**

#### **A song of ascents. Of David**

O LORD, my heart is not lifted up;  
My eyes are not raised too high;  
I do not occupy myself with things  
Too great and too marvelous for me.  
But I have calmed and quieted my soul,  
Like a weaned child with its mother;  
Like a weaned child is my soul within me.

O Israel, hope in the LORD  
From this time forth and forevermore.

## **INITIAL PRAYER OF WORSHIP**

Lost sheep looking for the Divine Shepherd;  
Wandering hearts who find the Path;  
Those without light who find Wisdom;  
Newly-weds who find the Bridegroom of their soul;  
"Nobodies" who find their All;  
The afflicted who find their Counsellor;  
Beggars who rediscover meaning in Life.

**PRAYER FOR THE VICTIMS OF ABORTION TO**  
**OUR LADY OF GUADELOUPE**

**Protector of unborn children**

Holy Mary, Mother of God and of the Church, Our Lady of Guadeloupe, you were chosen by the Father for the Son through the Holy Spirit.

You are the Woman clothed in sunlight about to give birth to Christ while Satan, the Red Dragon, hopes to devour your Son.

Herod did the same by trying to destroy your Son, our Lord and Saviour, Jesus Christ, massacring many innocent children in the attempt. Abortion does the same today, killing millions of innocent children and exploiting their mothers in an attack against life and the Church, the Body of Christ.

Mother of the Innocent, we praise God in you for His gifts to you, for your Immaculate Conception, preserved from sin, full

of grace; your motherhood of God and his Church, your Perpetual Virginity and your Ascension to Heaven in body and spirit

O Helper of Christians, we ask you to protect all the mothers of the unborn and to protect the children in their wombs. We seek your help in putting an end to the holocaust of abortion.

Holy Mother, we implore your Immaculate Heart for all mothers and unborn children, that they may have life on Earth and that by the Precious Blood poured out by your Son, they may have eternal life with him in heaven.

We also pray to your Immaculate Heart for all those who practise abortion and those who support it, that they may convert and accept your Son, Jesus Christ, as Lord and Saviour.

Defend all your children in the battle against Satan and all evil spirits in these times of darkness.

Our desire is for all innocent children who are not yet born to be saved. As for children who are victims of abortion, we ask you to grant the grace of repentance, reconciliation and God's forgiveness to their parents and their killers.

May the power of Love be revealed once again in the world. May evil be brought to an end. May consciences be transformed. May your Immaculate Heart reveal the light of hope to all. May Christ the King reign over us all, over our

families, cities, states, countries and the whole of humankind.

O merciful one, full of love, O sweet Virgin Mary, listen to our prayers and accept the exultation of our hearts!

### **PRAYER TO THE HOLY FAMILY FOR UNBORN CHILDREN**

O Holy family of Nazareth, Jesus, Mary and Joseph, hear our prayer for these unborn children, lost either involuntarily through illness or through the deliberate choice of abortion. We acknowledge them as our children and we entrust them to you.

We ask our Heavenly Father to call them by name and welcome them into the heavenly home, where they may contemplate with their Angels his divine face.

We wish to adopt these little children spiritually and consecrate them in the name of Baby Jesus and entrust them to you, Mary and Joseph, that they may live in and with the Lord.

We wish to appoint them as our "angels", companions and powerful intercessors by merit of their innocence, sacrifice and martyrdom.

Grant, o Lord, that these little children rejoice in heaven, as John the Baptist did in Elizabeth's womb in the presence of Baby Jesus, who was in Mary's womb.

May John the Baptist, who experienced baptism by desire in his mother's womb, administered baptism of purification in the Jordan and who died in baptism by the blood of martyrdom, pray for them.

We ask for the grace of forgiveness and conversion for those who, by aborting children, have violated the commandment not to kill and we pray that, by divine mercy, this blood may not fall on them and their children.

We ask that lost children may be placed in the arms of Mary and Joseph, so that, being nearer to their holy and chaste hearts, they may receive the grace they need for physical health and salvation of their souls through their prayers and the merits of their suffering and loss of life.

O heavenly Baby Jesus, Child King, Lamb of God who takes away the sin of the world, purify and glorify these companions of yours in heaven.

To you, Jesus, Mary and Joseph, we entrust these innocent and holy souls, that they may overflow with the grace and mercy of God for us and for the whole world, for the salvation of souls and the glory of the Holy Trinity.

In the name of the Father and of the Son and of the Holy Spirit.

## **HOLY ROSARY** **"FROM DARKNESS TO LIGHT"**

**In honour of Our Lady of Guadeloupe,  
protector of unborn children.**

*I relive the pain I felt at the agony, passion and death of my Son every day with all the abortions carried out on Earth. The mysteries of Light mark the rebirth of these children through your prayers and requests. A miracle occurs: from the sinful killing of these children, they find new life in Light through baptism by blood.*

*The mysteries of Glory mark their rebirth, resurrection and ascension to heaven, where they are transformed into small cherubims flying in the presence of the Father.*

*You see the path of these little cherubims as a path of purification, a "washing away" of sin, which falls upon them, as a triumph of Light and Grace.*

*These children are little angels who, through their path of purification, help their parents with love and prayers from above, so that they may find their way to their Father.*

*They are transformed into "instruments" by the Father for the redemption of many children. In this way the Father, in his infinite goodness and mercy uses a "lost life" to redeem his children.*

### **Creed**

I believe in God the Father, Almighty, Maker of Heaven and earth and in Jesus Christ, His only begotten Son, our Lord who was conceived by the Holy Spirit, born of the Virgin Mary, who suffered under Pontius Pilate; was crucified, died and buried, and descended into hell. On the third day he rose again from the dead, he ascended into Heaven, and sits at the right hand of God the Father Almighty. From thence He shall come to judge the living and the dead. I believe in the Holy Spirit, I believe in the holy catholic church: the communion of saints, the forgiveness of sins, the resurrection of the body and the everlasting life. Amen.

### **Sequence of the Holy Spirit**

Come, Holy Spirit, and send us from Heaven a ray of your light. Come, father of the poor, come to give us your gifts, come to give us your light.

Kindness in consolation, sweet guest of the soul, smooth soothing for man. Respite at work, strong in passions, joy in our weeping.

Penetrate with your holy light the most intimate of the heart of your faithful.

Without your divine aid there is nothing in man, nothing that is innocent. Cleanse our spots, irrigate our drought, cure our wounds.

Soften our grit, ignite our frigidity, correct our deviations. Grant your faithful, that trust in you, your seven sacred gifts. Reward our virtue, save our souls, give us eternal joy. Amen. Alleluia!

## Enunciation of the mystery

## MEDITATION OF THE MYSTERIES

### Joyful mysteries (Monday and Saturday)

#### 1<sup>st</sup> MYSTERY: Jesus leaps for joy in Mary's womb

My child, for selfish reasons my womb did not want to receive you, but now that the Light has entered my heart, little one, I'll hold you tight in my womb. Help my family to be born again in the Holy Spirit.

#### 2<sup>nd</sup> MYSTERY: in exultation of love Jesus and John dance in their mothers' wombs.

My child, how beautiful is this exultation of love we have denied you and we ask for your forgiveness, you who know the Light. Give us real love so that we can make a lifetime commitment and so that many other mothers can avoid making same mistakes.

#### 3<sup>rd</sup> MYSTERY: The smile of Jesus upon the whole world

Tears flood my heart, little one, but this smile gives me hope again, because this child, my angel, is telling me "I was born for you, for your family, because I want to bring it back together." Tell the Father to enlighten you, so that we may experience another birth and enjoy the exultation of love.

#### 4<sup>th</sup> MYSTERY: Jesus offers himself for the entire world to the Father in the arms of the most loving of mothers.

Mary, I ask for your mercy, I didn't want this life, but I implore you, the Mother of Mercy, to help me and offer me to the Father to repair the wrong that was done. Let me not be hounded by a destructive sense of guilt. In tears I ask you to help me to devote my life to serving.

#### 5<sup>th</sup> MYSTERY: Meeting with Jesus

It is great to contemplate Jesus as a Teacher from childhood and this little child helps me understand the words of the Teacher. "I bless you Father, because you have kept these things hidden from the wise and learned and revealed them to the little ones". You see, my child, you are really teaching me many things and the light of faith I have found makes me sing praises in gratitude for life. You are my angel that protects, helps, illuminates and guides me. Use any means to prevent me from leaving the truth, the fulfilment of every human aspiration. May I ever deepen the fellowship of love I have with the Father, and you Mary, as the Mother, help me to overcome every difficulty and throw myself blindly into yours and Jesus' arms, who chose to take on human nature and who give me the hope of eternal life.

**LUMINOUS MYSTERIES**  
(Thursday)

**1<sup>st</sup> MYSTERY: Baptism of Jesus in the Jordan**

Jesus, you gave us baptism to enter your Kingdom and I have betrayed this baptism. I ask for your forgiveness, but now I baptise my little child and my heart has opened up to hope. Now I want to live my baptism with all my family. My angel, help your family, especially me, your mother, to live under the eyes of my loving Father. Bring me under Mary's mantle, my little one; I need to look to heaven to avoid falling into despair.

**2<sup>nd</sup> MYSTERY: The wedding of Cana**

Mary, you witnessed the gentleness and joy of family. You wanted Jesus to perform miracles before His time only for the joy of the newly-wed couple. This opens my heart to hope, because I realise that, together with you and my little angel, I can start over again with my family. Come and live in my house, Mary. Bring me Jesus, take me to the arms of the Father and may my day be guided by the light of the Holy Spirit.

**3<sup>rd</sup> MYSTERY: The Kingdom**

Father, discovering your love gives true meaning to life. Living every day with the knowledge of belonging to a heavenly Father instills the desire in me to spread your

Kingdom of righteousness, peace and love. You care for every creature on Earth, even each blade of grass. I know you have forgiven me for not wanting my child because you are the merciful Father. I wish to live in the shelter of your paternal love in order to "live" the Our Father, and you, my little one, reveal to me the love of this Father, so that I may communicate it to others. Be near me, near all your family. Know that we love you. Your heart can only rejoice because you do not know evil, you are only Light, beauty and splendour.

**4<sup>th</sup> MYSTERY: The transfiguration**

How profound this word "transfigure" is! Is it a dream or reality? No, Jesus is real, so that you may have fullness of life and those who see you are transfigured and transfigure others. It is often difficult to follow the right path, but I am sure I will manage it with the family I have rediscovered. Jesus, I could almost say to you "happy guilt", as St. Augustine did! You know that we humans are stubborn until we fall and we are not convinced until we hurt ourselves, but You are mercy. I am certain, You will help my family, through Mary, to get on the road to recovery. And you, my sweet treasure, help me to commit myself for life. May I be able to help all the people who need Light because we live in a world today where evil is considered good, using the word "freedom" in the wrong way.

### **5<sup>th</sup> MYSTERY: The institution of the Eucharist**

A great gift of love, the Eucharist is a thanksgiving offering. Lord Jesus, tell me what more You could have done for us! You are truly crazy about your creatures. You became a piece of bread in order to feed our thoughts, our words, our affections and for many years we have thoughtlessly denied ourselves this food! Forgive us, forgive my family for this difficult, broken life. Jesus, You see how sincere I am. Help me to believe in your mercy and to take the sacrament of reconciliation with an ever increasing trust in Your forgiveness, binding and healing. Our sins are great, but they are nothing compared to Your greatness. You are greater than our sins and knowing this is a consolation, now that I know my child is with you. Even though I took away my child I know in faith that he lives eternally. Nobody can destroy what you have created. Now, my child, you know the meaning of this mystery; help us to understand it better. Come and visit us sometimes, bring peaceful, calming light to our house. Enable us to spread this peace to all those we meet and you, Mary, who gave us Jesus, transform our house into an oasis of love.

### **PAINFUL MYSTERIES** **(Tuesday and Friday)**

### **1<sup>st</sup> MYSTERY: Jesus in the Garden of Olives**

Jesus, when I think of you, I despair at the thought of Your suffering for me, my family and all my brothers and sisters around the world. Your cup was too heavy for You. You said:

“Father, take this cup away from me”. The man you created with so much love oppressed you and caused you much anguish, but I am sure that at that moment you looked into Your Mother’s eyes and she gave You the strength to say to the Father: “Not my will, but yours be done”. What a wonderful name you have, and I have betrayed it! But this blood, the cry of pain which pierces the depths of my heart, gives me assurance that you love us because we are your creatures. Thank you, Jesus, for your forgiveness, because in the Garden of Olives you thought of me, You knew that I would betray you and yet you gave yourself unreservedly. Mary, I have caused you suffering, but now I want to be born again to a new life and I am sure my angel in Heaven will help me, especially now that I have baptised them, they have become mine even more. Despite my poverty I have given them the desire for life. Thank you, little one, for all you do for your family. Do not forget us and your family, the ones who have evicted you from the house.

### **2<sup>nd</sup> MYSTERY: Jesus flogged at the pillar**

Jesus, we are the ones who struck You, but you want to heal our faults with purity and love. Dear Jesus, we are selfish people, we feel frustrated and we are racked with guilt. How badly we live without You; I have experienced it. You know the child I carried in my womb and how it bothered me and tied me down. I justified myself in a thousand ways for not wanting it. In this way I thought I could carry on with life as normal, but it wasn’t true. My heart was oppressed, I felt my own child was pointing its finger at me, saying, “you killed me, you didn’t want me”. You know I am not exaggerating,

Jesus. You know there are doctors who betray their mission, after many years of study, for their own financial gain. Of course, there are organisations which could have helped me, but I was beside myself with anguish. I do not say this to justify myself, but I felt I had no support or love, so much so that I was prepared to kill my own child. Forgive me, Jesus; I am comforted to know You were flogged, because if you suffered so unjustly for us, then You must really love us with an eternal love. Thanks to this love I am here before You now. Holy Virgin, you understand what it means to suffer. Do not let me be discouraged, but, with my eyes upon Jesus, your Jesus, I know I can make it. And you, my angel and counsellor, help me so that I may remain steadfast and devote myself to real and practical acts of love.

### **3<sup>rd</sup> MYSTERY: Jesus crowned with thorns**

Jesus, this crown is too much. With these piercing thorns you see through our wicked, twisted and unworthy thoughts. O Lord, may my thoughts turn towards you through this rebirth and then to your Mother. Help me to see how I can commit myself in practical ways. And you, little one, stay close to me, because I want to love other children and, in loving them, love you, so that your family may start to blossom once more. Mary, take my hand and do not let go because I know that with your help I will come through this.

### **4<sup>th</sup> MYSTERY: Jesus on the road to Calvary**

Jesus, You went to Calvary for me, for all of us. I, too, have experienced a kind of Calvary, but not for You. Now that I

have discovered You, I want to embrace my cross with serenity and peace because on your cross You cried out, "Forgive them, Father, for they not know what they do". It is true that we do not know what to do in times of desperation and darkness, when we feel abandoned and alone, because we have betrayed the cross and we do not know where to look. In such a moment, many people are quick to advise getting rid of the life in the womb. Before this cross I want to entrust all the doctors of the world to you, that they may not be the cause of this crime. They study and work to save lives and instead they destroy it. Forgive them, Father. Forgive all those who are involved in those wrongful, contradictory laws. What rights can I speak of if I have no right to live? Mary, Mother of Sorrows, hear my cry of pain, this cry of repentance because I want to make up for what I have done, I want to contribute to life, I want to help many young women not to do what I have done, because *when you have ended a life, you live like a living corpse*. I leave this cross with a heart full of hope because this cross speaks only of repentance, forgiveness and I know the sacrament of reconciliation, if I am faithful, will bring me to the way of salvation.

### **5<sup>th</sup> MYSTERY: The death of Jesus**

Jesus, I am here, hanging on every word You say. You are on that cross, an innocent lamb, slain for me and for all. Yet nothing but words of love come out of your mouth. How can anyone doubt your forgiveness? It is the greatest offence on Earth, doubting your mercy. We are ungrateful children who deserve to go to hell, but you have opened Heaven to us and

I already have hope in the resurrection. I feel it in my heart that I will make it. Holy Virgin, you are there, Mother of Sorrows, with your dead Son in your arms. You kiss him and caress him, you hold him close to your heart, that heart which was already pierced by the sword. The sword that pierced your Jesus' heart, but he was already dead, so it pierced yours. Mother, I am the one who did this, I ask for your forgiveness for myself and for all my brothers and sisters. I have had contempt for life. Hold me in your arms, Mother, as you held your Jesus and heal the wounds I still feel in my heart. Help me to change my family with a true resurrection. May I give my time and energy to the promotion of life. My child, welcome my tears, they are real and sincere. Help me from heaven, so that I may never again betray love.

### **GLORIOUS MYSTERIES** **(Wednesday and Sunday)**

#### **1<sup>st</sup> MYSTERY: Jesus, victorious over death**

How beautiful it is, Jesus, to contemplate this triumph of love, but how great was its cost to you! Thank you, Jesus, because now the gates of paradise are open to me, my family and the whole of mankind. Life changes, even the thought that there is an eternity of joy and happiness helps in overcoming every difficulty. My sweet Mother, it is a joy to say the Hail Mary because it brings me ever closer to that womb I betrayed. Thanks to you, with repentance and regeneration, I can come back there to make amends, to offer myself up and to open

myself up to life, the life I held in contempt. Holy Spirit, increase my ability to be open with others and listen to them, so that I may understand right from wrong. My child, you already live in this eternity. Show yourself to your mother, how much my heart desires to see you! I know I do not deserve it, but I ask you all the same. I hold you close to my heart; I want to give you all the affection I never gave you through other children.

#### **2<sup>nd</sup> MYSTERY: Jesus ascends to heaven**

It is great to think of this lightness and beauty and especially of this universal love. You do not want to be happy alone, Jesus, with paradise, angels and saints. It is as though your happiness was incomplete without us. Forgive me for this heresy, but I am overwhelmed with love and gratitude. Mother, I thank you because you were never discouraged during your earthly life and you always looked to Jesus who knew how to overcome every trial. Who on Earth has had more sorrows than you? Nobody! Mother, may my life always move towards heaven. Take care of the garden that is my heart, help me to water it every day with prayer, the Holy Rosary, and the Eucharist, which help me to become more Christ-like. Mother, may I pass on this discovery of beauty to others. Put the people I should help in my path to make up for my grave sin. I do not want to think about it any more, I give it up to you, because I only want to contribute to the good of my family and all those that heaven sends me. If possible, I want to work for a pro-life organisation to pass on my love to all of you, children. Stay near me, little one, your mother needs you, even if I betrayed you. Now I understand

and I cannot keep it in my heart any longer, I must communicate it to others.

### **3<sup>rd</sup> MYSTERY: The descent of the Holy Spirit on the Church with Mary**

Mother, I want to thank you for being my mother, Mother of the Church and Mother of all mankind. This universal family, which came from Christ's rib – how great it is, how splendid and how much it knows how to give true happiness to its children when they truly have to give away everything. Mother, as one of the first-born of the Church, prepare me to receive this overwhelming strength of the Holy Spirit. As I speak to you, I feel it leading me to do good and drawing me towards a life devoted to making others happy, to building up my family, including my original family, because, as you know, Mother, many of our wounds come from our backgrounds. Many times I wanted to find a good person to help me avoid what I ended up doing, but I never found one. I betrayed my baptism; I could no longer take refuge in your arms because I was too far away from you, I couldn't see you. O Holy Spirit send your light to mankind, renew our hearts because it feels as though we are overwhelmed by evil, even though we know it is not true. Holy Spirit, in the end evil breaks us, good regenerates us, and this is what is happening in me. I feel a new impulse inside *to help women not to have abortions because it is like being condemned to death for life*. Spirit of Light, Spirit of Peace, Spirit of Knowledge, come to me so that the joyful desire I feel in my heart may come true. With the help of your grace, which will never leave me, I know it can happen, I am certain. Little

one, now you see your mother with new eyes, help your family to be born again in the beauty of light.

### **4<sup>th</sup> MYSTERY: The mother ascends to heaven in body and soul**

Oh Mary, you will stay with us, won't you, Mother? Are you going away? How will we manage without you? You are our advocate, interceding for us. You look at us in tears, experiencing our suffering with us. O Mother, listen to my cry, don't ever leave me. In this overwhelming mystery of angels and saints that take away your virtuous body, my faith is strengthened because I know that one day I will come to you in the flesh. Mother, the Word I betrayed with my child, I want to shout to you because, you can see, you have to come back to Earth in many apparitions. You are alive, you are here beside me. You comfort me because you know that I, too, am a child in need of affection. What I didn't have, I couldn't give my child. There are moments of desperation in life, Mother, but with you my life has already changed because I know where to look – at the cross of your Jesus! The glorious cross, the cross of resurrection, the cross of mercy, the cross of beauty and this crown I have in my hands, Mother, binds me closer and closer to you. Don't leave me even for a minute. May I bring to others the breath of purest air I breathe with you. I want to promote life. Tell me what to do; I am here at your service. It is an honour to serve you, Mother. I want to do so much good, I want to dry many tears, I want to draw close to many brothers and sisters, so that I can bring them to you. Mother, how sweet this name is, my mouth is full of a sweetness I cannot explain, but it is real and tangible. It gives me new initiatives, I feel it welling up inside me.

Mother, I know it is you that is speaking to me, saying, "I need you, children". What heavenly moments, Mother. I want to say hello and thank you, too, little one. Tell the eternal Father I love him. I am telling you this with tears in my eyes.

### **5<sup>th</sup> MYSTERY: The Mother is made Queen; Angels and Saints Crown and the Trinity gives her a sceptre**

Mother, how beautiful it is to know that all these saints were sinners, traitors and deniers just like me, but that with a decision they managed to become saints. My sweet Queen, look at Saint Augustine, who had an illegitimate son, but became a doctor of the Church. Only the almighty power of the Father can do this. How beautiful it is to see and contemplate you. Mother, I will never tire of it. You were God's smallest but you were able to lose yourself, not existing for yourself anymore, and now you a Queen of God. These angels are also ours and my guardian angel is here, but how happy I would be if my angel were my child. They are our protectors, ready to accomplish your orders because you are Queen. This is the way the Trinity wanted it and you are omnipotent by grace. all kinds of grace come from you, Mother, as the Trinity has chosen. This encourages me to be brave, because you can do anything by asking the three persons of the Trinity, who obey you. Mother, I have never had such certainty as I have in this mystery. I have also discovered I am your child, Queen, as well as a child of the King, the Father. I, too, am a priest and can make an offering. How wonderful it is to be able to offer you my suffering. I can become a prophet, Mother, and tell others that there is a God of tenderness, love and mercy. Through

baptism, especially baptism by blood, these children can become Cherubim, Seraphim, Thrones and Dominions, Principalities and Authorities, all in honour of the Father and sing glory to God in the highest. I, too, want to sing and dance! Send my little one to dance with me in praise of his divine majesty.

### **Hail Holy Queen**

Hail Holy Queen, Mother of mercy, our life, our sweetness and our hope. To thee do we cry, poor banished children of Eve. To thee do we send up our sighs, mourning and weeping in this valley of tears. Turn then, most gracious advocate, thine eyes of mercy toward us; and after this our exile, show unto us the blessed fruit of thy womb, Jesus. O clement, O loving, O sweet Virgin Mary.

### **Prayer to the archangel Gabriel protector of childhood**

O good and faithful archangel Gabriel, you received the mission to look after Our Lady and therefore to watch over the holy childhood of Jesus. Be the guide of all parents, the protector of all children from the moment they are in their mother's womb. Share your light with us, fill us with divine wisdom and heavenly love, so that we can understand and properly accompany the souls we have been given to bring up. Guide and protect orphans, children and young people, especially those who are suffering. Amen.

Amen.

## **THE HEAVENLY ORIGIN OF THE ANGELIC CROWN OF GOD AND MARY, MYSTICAL ROSE**

Maria Rosa (Mary Rose) was given particular revelations that explain many mysteries in the book of Revelation, the last book of the Bible, which remains obscure even for modern theological exegesis. However, Maria Rosa had the privilege of receiving particular explanations from Jesus, because his time is near and we should be prepared. The seer said that she had received one of the most important revelations for Revelation chapter 20. Maria Rosa explained: "I asked the Lord who the angel descending from heaven with the key to the abyss and a great chain in his hand was. The Lord replied: "He is the head of the angels, the Archangel Michael, who will soon lock Satan and his demons in hell, but in order to do this the Archangel Michael needs your prayers and in particular the daily recital of the Angelic Crown of God and Mary, Mystical Rose." Next to Jesus I saw Mary with her hands full of red rose petals and the Archangel Michael with a shining crown in his right hand. Mary was smiling. The Archangel Michael gave me the shining crown, but when I took it I felt a great heat in my hands, a burning sensation. Jesus continued saying, "*I came to set fire to the earth and what do I want to do if it won't burn? (see Lk 12:49)*

*"With this crown I will bring a mystic fire to the earth and many people will undergo a mystic transformation; cold hearts will turn into hearts that burn for my mysteries, Mary's mysteries and my holy angels' mysteries. You will know what the archangels, Michael, Gabriel, Raphael, Uriel, Jegudiel, Sealtiel and Barachiel do for you and how they will defend my Church in one of Satan's last attacks".*

When Jesus had finished speaking, Mary strew thousands upon thousands of the red rose petals she had in her arms over the earth, as a final gift to mankind. Then the Archangel Michael told me word for word the [21 divine promises for those who will recite the special Angelic Crown for the last times](#) .

This crown is made up of 49 beads, subdivided into 7 groups by 7 rose-shaped beads and finished with 3 beads and a glorious cross at the end.

## **MARY ROSE, THE SEER OF THE MYSTICAL ROSE AND THE NEXT REVELATION EXPLAINS THE VALUE OF THE CROWN PROMISES**

Maria Rosa, why did the Lord give you this new angelic crown of God and Mary Mystic Rose? Weren't the ones in use by God's people enough?

I will explain straight away. All the other crowns, including the Holy Rosary, are suitable for knowing God, for loving and serving him and seeking his promised grace. This new angelic crown has the same characteristics and is also suited to the battle against evil in all its forms: disasters, accidents, illnesses, infestations of objects and houses. You just need contact with the angelic crown along with prayer and angelic protection and the fulfilment of the 21 divine promises will come about.

Friends of God can possess this crown, those that are devoted, so that God may show all the powers of his heavenly

promises. God is manifesting his power in all its glory, because Christians need to be ready, with hearts full of love and faith, for his coming. He does not want distracted, fed up, bored Christians who follow the ways of the world and not God's will, which is sovereign over everyone and everything. I do not wish to appear doubtful about the power of the angelic crown...but there are such profound promises, that sometimes I can't understand them. Be patient with my lack of understanding and explain the mystical promises regarding the recital of the angelic crown of God and Mary and Mary Mystical Rose.

A lifetime is not enough to understand the power of God. Many promises will be understood after reading the book of heavenly promises "How to be saved from the Apocalypse and the first death".

Indeed, the **first promise**:

- Whoever prays the Angelic Crown will be saved from all punishment and will avoid the first death during the time of the seventh seal of the apocalypse; it should be made clear that the punishments are those mentioned in the book of Revelation regarding the righteous and the wicked, but some of the righteous, those with greater faith, the elect, will be preserved from all punishment, including the one caused by original sin, i.e. the first death, which will be transformed into a particularly long life in a restful sleep.

The **second promise** :

- Whoever prays the Angelic Crown will be among those saved with the relief of the elect; this may be understood in

the light of the second letter of Saint Paul to the Thessalonians, when the Lord explains how the elect will be saved. Basically, the angels will recognise the elect when they see the distinctive sign of the Angelic Crown of God and Mary Mystical Rose as a spiritual crown of true devotion to God. At the crucial moment of the worst punishment the elect will be relieved by angels and gently and securely taken to safe places.

The **third promise**:

- Whoever prays the Angelic Crown will see the risen Jesus come on the clouds; this should be interpreted in the light of the Gospel, because Christ's return to earth in order to judge the living and the dead will not be untimely, but will occur at the right time in a precise moment in the history of mankind and in a specific generation.

Maria Rosa, do you know which generation will see the return of the risen Jesus?

Yes, a secret was revealed to me.

Can you tell us this secret or are you bound to particular dates for revealing the secret like other seers?

No! I am no longer bound by any restrictions. The Lord has permitted this interview because I must reveal his wonders. His messages are wonderful, the Angelic Crown of God and Mary Mystical Rose is wonderful. All the elect who will know God and follow him are wonderful because of their royal anointing.

The secret I must reveal is

this: the risen Jesus will return to earth on the clouds for the generation born after 1940.

*So we are almost at the end?*

Yes. By now the Lord is ready to return to earth, but he wants all his churchgoers to be adequately prepared before the final battle between the children of the light and the children of darkness. *The promises are related to the end times, then?*

That's right, in fact this leads us to the **fourth promise**:

- Whoever prays the Angelic Crown will have a special protection from the seven archangels both before and during the apocalypse;  
this is dedicated to those whose faith is weak, undermined by modernity that doubts everything; even the fact that we are children of God. Many people are happy to think they are children of a monkey. However, many forget that the devil is a "monkey of God", or rather, a monkey god, like a monkey that appears human, but isn't. Thus, the devil is happy if people think they are monkeys' children. In a way, that is what he is in relation to God!

For this reason God gave the **fifth promise**:

- Whoever prays the Angelic Crown will contribute to driving out every kind of demon from the earth, water, fire, air and underground;  
many people believe the Devil does not exist or, at most, that he always stays in hell and does not bother people or things. However, the lives of the saints have always showed the opposite. This is why the Lord has provided a formidable weapon to defeat any type of demon with the Angelic Crown of God and Mary Mystical Rose. The devil will flee in terror at the sight of this heavenly crown because you only need to reach for it and the Archangel Michael and the other

archangels will make it flee with its tail between its legs. Try it and you will see what unfolds before your eyes!

The **sixth promise** is dedicated to the elect who will live in the new Jerusalem :

- the Angelic Crown will be among the inhabitants of the heavenly Jerusalem which will descend upon Dozulé; The glorious cross will be made in Dozulé, not by the Church that has grown deaf to God's call, but by God himself, who will show his power in this way to those who did not want to believe in the seer Madeleine Aumont or J.N.S.R.

*Is this yet another secret that is being revealed?*

Yes. Do not go around collecting signatures to have it put up. There is no more time left. Blessed are those who have built small glorious crosses in their own towns or even on their own land because God will be merciful to that town, country or family who have made great efforts to glorify him in terms of energy, money and undergoing humiliation from disbelievers. Poor disbelievers, what a horrible end they will have! It would have been better for them never to have been born than to suffer for their terrible lack of faith. The last anchor of salvation is the Angelic Crown of God and Mary Mystical Rose.

This is why the Lord gave us the **seventh promise**:

- Whoever prays the Angelic Crown will never lose faith in Christ and the Catholic Church; many no longer believe Jesus will come back for this generation, perhaps, they think, he will come after the second millennium, in the third millennium. They do not say so, but that is what they think, justifying their laxity and poor faith. However, the Lord will

come to help those who seek his help in their weakness. "Lord, increase our faith", said the apostles, so we, too, should pray with intensity.

The **eighth promise** is self-explanatory:

- Whoever prays the Angelic Crown will save 21 relatives in purgatory so they may benefit from the joys of paradise;

The **ninth promise** shows the power of the Angelic Crown against the devil:

- Whoever prays the Angelic Crown will take away from the hands of the devil 21 relatives bound in vice, atheism or false belief; the devil is always responsible of our poor faith or complete lack of faith, using the smoke of words full of the knowledge of this world that clouds the inner senses of that acknowledge God as their Lord. The Angelic Crown will bring light where there is darkness to many of our relatives.

The generosity of the Lord can be seen in the **tenth promise** even to those who simply do not know the true God and who unknowingly worship him in false religions:

- Whoever prays the Angelic Crown will help the Lord and angels to save the righteous from other religions; false religions were created by the devil to confuse believers. Dialogue with other religions is useless. The Lord has explained to me even dialogue with other religions is a partially acknowledgement of their claim to religious truth and a denial of the true religion, which is Christianity. Dialogue with other religions is a religious sin! There is no need to have dialogue with other believers, but rather we should evangelise them, as Jesus told us to do. Poor

missionaries, they have become like religious history teachers who speak to other kinds of believers as though they were talking about philosophy rather than the sacred gospel of Jesus, who died on the cross for us to glorify the truth of his saving Word!

This is why the Lord gave the **eleventh promise**:

- Whoever prays the Angelic Crown will help the Lord and angels to renew the face of the earth; only by prayer we can help the Lord to change the world, not by dialogue, or worse, by chatting in various synods or pastoral committees. We can contribute through prayer groups and families who pray together before the crucifix. Only in this way we can help the Lord and his angels.

The **twelfth promise** concerns those who will receive the royal anointing:

- Whoever prays the Angelic Crown will receive all the gifts of the second Pentecost; many still do not know what their personal mission is or even have a sense of their own noble dignity, if they have any devotion to Jesus, the King of kings and Our Lady, the Queen of heaven and earth.

The **thirteenth promise** is a wonderful consequence of the twelfth promise:

- Whoever prays the Angelic Crown will receive a crown with his own noble title from the hands of Our Lady, Mystical Rose;

The **fourteenth promise** is another claim to angelic protection, especially during the three days of darkness when demons

will be roam like bloodthirsty wolves over the entire planet on the lookout for lost souls or those with weak faith. Whoever prays the Angelic Crown will receive not only the protection of their guardian angel but also the protection of the seven archangels of the Apocalypse;

The Lord will provide abundant help for those who are physically suffering with **fifteenth promise**:

- Whoever prays the Angelic Crown with faith and love will be healed of their own ills and have the grace to heal those who want it: even diseases come from the devil, who tries in any way he can to make us despair. He wants us to believe God does not exist and that physical and spiritual problems are just coincidence or even our fault. Jesus casted out demons and healed all kinds of illnesses. So much the worse for those who do not believe, because they will never experience healing.

With the **sixteenth promise** the Lord wishes to extend his protection to those we care about and especially our loved ones:

- Whoever prays the Angelic Crown will protect their own house and none of their belongings will be taken; however believing this requires a special faith that comes from God alone through prayer and reading the Holy Scriptures.

For this reason the Lord gave the **seventeenth promise**:

- Whoever prays the Angelic Crown will receive special revelations to understand the Bible and end-time events so they will not become confused or be frightened;

before reading the Word of God people should call on the seven archangels who will explain the truth to our spirits, a truth we have never known before, because our spiritual eyes were blinded by the spirit of the world.

The **eighteenth promise** is a consequence of the previous one, for the souls of the elect, for those who have received a royal anointing, like me and many other seers, who will know the secrets the Lord reveals only to his friends:

- Whoever prays the Angelic Crown will be able to climb the mystic staircase and know the secrets of heaven;  
- Whoever becomes a friend of the Lord automatically becomes a friend of the angels,

Which is why the Lord gave the **nineteenth promise**:

- Whoever prays the Angelic Crown will become a friend of the angels and archangels and will see their own patron saints;

The **twentieth promise** is the crowning of the efforts of the elect towards the Lord, for those who are given a special reward:

- Whoever makes the Angelic Crown known will be named in the BOOK OF LIFE with a special title;

The same applies to the **twenty-first promise**:

- Whoever spreads the use of the Angelic Crown in other nations will have a special place in the HEAVENLY JERUSALEM among the elect and the new kings of the renewed earth.

The Angelic Crown (multi-languages booklet with the prayer included) is available for sale (5 euro each).

**PETITION TO GOD THE FATHER**  
**TO SAVE CHILDREN ABOUT TO BE KILLED BY ABORTION**  
**AND ASK FORGIVENESS FOR ALL OF SOCIETY**

Let us pray together for these children of God, our brothers, who are being killed today and will be killed in the future, interrupting forever the wonderful plan God has for their lives.

Lord, give us the ability to act and save even one of these innocent children, the most defenceless and innocent of humans, who have no voice to defend themselves and no-one to defend them. Lord, hear our prayer, for the silent cry of these little ones.

Pray and respond together:  
*SAVE THEM, LORD OF LIFE*

- Lord, we entrust to you these innocent children who are being killed. *SAVE THEM, LORD OF LIFE*

- Open the hearts of these mothers so that despite their great difficulties they may accept the wonderful gift of life, the child in their womb. *SAVE THEM, LORD OF LIFE*
- Take away the indifference of onlookers, denying all responsibility, proclaiming false freedom for women who remain alone in their tragedy. *SAVE THEM, LORD OF LIFE*
- Teach us to share in the suffering, worries and problems of these mothers, carrying their burdens with them. *SAVE THEM, LORD OF LIFE*
- We pray for all those children who are being kept in freezers or who are growing in a sterile test-tube. *SAVE THEM, LORD OF LIFE*
- Awaken the consciences of every man and woman of good will, so that the abominable crime of abortion may one day be nothing but a bad memory. *SAVE THEM, LORD OF LIFE*

**SAINT MICHAEL ARCHANGEL**

Saint Michael the Archangel, defend us in battle. Be our protector in battle against the wickedness and snares of the devil. May God rebuke him we humbly pray. O Prince of the Heavenly hosts, by the power of God, cast into hell Satan and the evil spirits, who wander through the world seeking the ruin of souls. Amen.

## INVOCATION OF GUARDIAN ANGELS

Help us, guardian angels, provide assistance when we are in need, comfort in despair, light in the darkness and protection from danger. You inspire good thoughts, intercede on our behalf to God. You shield us against our evil enemy. You are our faithful companions, true friends, careful counsellors, mirrors of humility and purity. Angels of our families, angels of our children, angels of our parish, angels of our city, angels of our country, angels of the Church, angels of the universe, angels of our prayer group look after us. Amen.

## PRAYER FOR MISCARRIAGES

Lord Jesus, we entrust to your love these little children who have given only a brief moment of joy to their parents. Bring them to eternal life. Lord, you formed these little ones in their mothers' wombs and you know their names for all eternity. Today we wish to give them a name which we will always treasure in our hearts. We pray for their parents, who have suffered the loss of their child. Lord, give them the strength to bear this pain and may they one day meet their child in the peace of your Kingdom. We ask this in the name of Jesus Christ, Our Lord, Amen.

## PRAYER FOR THE BAPTISM OF THOSE WHO WERE NEVER BORN

O God our Father who, in your infinite love for us, wants all men to be saved with the faith and love of the Church borne in its Motherly heart and the "desire of baptism" for all the small children of the world. Let us express your love by baptizing all children who today will be killed in their mother's womb.

With this act of faith and charity, we pray that the whole Church may:

1. Offer, with the blood of Jesus, through the immaculate hands of the Blessed Virgin Mary, the blood of all the little children killed by abortion, imploring mercy and compassion for mankind for the sacrifice of their lives.
2. Undo the serious crime of abortion, which suppresses the life of one who has been conceived and at the same time deprived of the grace of baptism.
3. Pray for the conversion of all those who carry out abortions or assist in them, this horrible crime "which signs the condemnation of man, woman, of doctors and of the State" (John Paul II)
4. Pray for the conversion of those who by ignoring the Magisterium of the Church and of Christ and who through powerful means of societal communication support, justify and defend this very serious sin.

5. Finally, to invoke mercy on those who, deceived and misled by these powerful forces, turn away from the love of God the Father.

Recite the Creed, the Our Father and a Hail Mary.

*Cardinal Ugo Poletti, Vicar General to John Paul II*

### **CROWN OF DIVINE MERCY**

In the name of the Father and of the Son and of the Holy Spirit. Amen.

At the start: Our Father, Hail Mary, Creed.

On the large bead of each decade, pray:

"Eternal Father, I offer you the Body and Blood, Soul and Divinity of your dearly beloved Son and our Lord, Jesus Christ in atonement for our sins and the sins of the whole world. "

On the Hail Mary beads, pray:

"For the sake of His sorrowful Passion, have mercy on us and on the whole world"

Three times at the end: "Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and on the whole world."

In the name of the Father and of the Son and of the Holy Spirit. Amen.

### **EVEN JESUS CHRIST, IN HIS INCARNATION IN MARY'S WOMB, STARTED HIS HUMAN EXISTENCE AS A CELL**

Praise and bless the hour in which the Word of God came into the world in the form of a cell and made his dwelling place in the pure womb of the Virgin Mary. O Divine Cell of that hour, hear our prayers. In your tenderness welcome all those children who were rejected by their mothers and look with compassion upon those women who, through suffering and disillusionment , destroy the lives of their children before their birth. Have mercy on those who use their medical ability to end lives. Inspire all the Christians in the world to apply Christian solutions to social problems. Bless our efforts to educate and serve. Help us to complete those efforts in order to win hearts and minds for the truth, to serve those in need, so that they no longer resort to violence.

### **PRAYER TO UNBORN CHILDREN TO RECEIVE ANY KIND OF GRACE**

"Little martyrs in the Father's heart and Mary's love, intercede for us with the spirit of strength that helps us to combat evil so that, free from its influence, we can live lives worthy of God's children. Since your death is a repetition of the crucifixion of Jesus, you are able to receive greatly from God the Father: ask him to lovingly change the hearts of

those who resort to the crime of abortion. Obtain forgiveness for your mothers on Earth for not having the courage to bring you into the world and ask that we may have the strength to continue the fight against murder and every kind of sin. Lord, accept our prayers so that the terrible practice of abortion will end in the world, through the intercession of Mother Mary”.

### **DAILY BAPTISM OF THE UNBORN**

The eyes of the Lord are on those who fear Him, on whose hope in His unfailing love, to deliver them from death and keep them alive in famine. (Psalm 32,19).

Recite the Creed (short version)  
Aspersion of the 4 cardinal points with holy water

Recite the following: to all of you who were stillborn during the day or night, to all of you who were killed in your mother’s womb during the day or night, or who will be killed, so that you may have eternal life in Jesus Christ.

(Now the collective baptismal name is given, followed by consecration to Mary, to Saint Joseph, to Saint John and the saint of the day)

I have called you by name, you are mine (Is 43,1).

O sing unto the Lord a new song; for He hath done marvellous things (Psalm 96,1).

Our Father, Hail Mary, Glory be

### **PSALM OF PRAISE**

**Psalm 138**  
**Of thanksgiving. Of David**

I give you thanks, O LORD, with my whole heart;  
before the gods I sing your praise;  
I bow down towards Your holy temple and give thanks to Your name for Your steadfast love and Your faithfulness;

for You have exalted Your name and Your word above everything.

On the day I called, You answered me,  
You increased my strength of soul.

All the kings of the Earth shall praise You, O LORD for they have heard the words of Your mouth.

They shall sing of the ways of the LORD,  
for great is the glory of the LORD.

For though the LORD is high, he regards the lowly;  
but the haughty he perceives from far away.

Though I walk in the midst of trouble,  
You preserve me against the wrath of my enemies;  
You stretch out your hand,  
and Your right hand delivers me.  
The LORD will fulfil his purpose for me;  
Your steadfast love, O LORD, endures for ever.  
**Do not forsake the work of Your hands.**

### **FINAL PRAYER OF ADORATION**

Dear Jesus, my consolation, my love and only delight of my heart; look at me here. I bow down at your feet; I am a soul who is tired of everything.

Dear Jesus, only in you can I find every good gift and delight.

Dear Jesus, sweet and loving, You are the bridegroom for me, an incomparable friend, my only support when pain breaks my heart, when my brothers abandon me or do not understand me, when I am overwhelmed by apathy, when I am crushed with desperation. Here in Your holy house, at the feet of Your tabernacle, a prison of love which keeps you prisoner. Only here will I find the strength to fight and win.

Help me to carry on this mission of prayer for unborn children! Without you I cannot do anything, I am worthless, I am nothing. Strengthen me and give me peace despite suffering in life.

O Jesus, give me humility, patience, gratitude and love, so that I may truly love you.

Take care of the poor and afflicted, especially the young. Console those who suffer, strengthen the weak, draw sinners near, so they may convert, no longer offend you and ask forgiveness for going astray.

Lord, protect all your children, you are sweeter than any mother and know how much the heart of a mother is the epitome of tenderness and self-denial for her children.

Give me greater love and the strength I need to fight and gain victory, contributing to the salvation of the highest number possible of souls involved in the crime of abortion.

Farewell, Jesus of my soul. I say goodbye, but I leave you my heart and wherever I am I will always think of you. With every breath I want to repeat how much I belong to you for all my life on Earth and for all eternity.  
Amen.
